

My name is Faye and I've been part of the staff team since 2017 my eldest daughter attended too, so I know it's an amazing place!

I love seeing the children grow and develop, enjoying the different experiences and activities on offer at the Rainbow.

I have early years qualifications in childcare & development and many years of experience working with children in a variety of settings.

About me:

I have two daughters and two dogs!

As a family we enjoy outdoors, walking, bike rides and walking our dogs.
